YOUR SPATS 10-Year Transportation Enhancement Plan!

“Citizen Plan Alternatives Workshop”

Tuesday, December 10, 2002 6:30 pm ~ 8:30 pm
Sptg. County Administration Bldg., Conference Room 6 (downstairs)

The purpose of this workshop is to review conceptual alternatives for enhancements by consultants *HDR Engineering, Inc. of the Carolinas*. Recommended alternatives are based on comments received from the citizen visioning workshop in October.

Together, we will build elements of the Enhancement Master Plan, including:
***Improvement Areas and Strategies, Priorities, and
Organization/Partnering/Implementation Opportunities***

Refreshments provided by *Heartwise* and *Palmetto Conservation Foundation*
